Complaints:

RDASA aims to provide a simple, confidential and trustworthy procedure for resolving complaints based on the principles of natural justice.

In the first instance, complaints should be reported to a representative of RDASA in authority within the local setting. This may be a coach, a Centre committee member, or a member of staff. It is then the responsibility of that person to liaise with the complainant until a Complaint Manager [usually a Member Protection Information Officer or the State Manager] is appointed.

A complaint may be handled formally or informally and all complaints will be dealt with promptly, seriously sensitively and confidentially. The procedure for handling and resolving complaints are outlined in Attachment D1 of the State Protection Policy for Members and Others.

If you do not wish to lodge a complaint at the local Centre you can:

- lodge a complaint directly with the State Office – contact details below.

Complaints can be made External to RDASA.

There are a range of external options for someone wanting to lodge a complaint. Complaints may be made directly to the NDIS Quality & Safeguards Commission, anonymously if you prefer, by phoning 1800 035 544.

Other options for lodging complaints external to the organisation can be found under the 'About RDA SA' section on the RDASA website.

<p>Remember complaints and their resolutions help us improve the service we offer our clients.</p>
